### WESTFIELD PARISH COUNCIL

Minutes of the Finance & Personnel Meeting held at The Oval Office on Wednesday 22nd February 2023 at 10am

Present:

Cllr Phil Wilkinson (Chair), Cllrs Diana Cooper, Paul Millard, Robin Moss,

and Pat Williams (Vice Chair).

Absent:

Cllrs Geoff Fuller, Ron Hopkins and Lesley Mansell.

In Attendance:

Lesley Close, Parish Clerk

Daniel Noad, Lucy Dyble and Tracey Stephens for the first item.

### Community Resilience – Emergency Planning

The Chairman welcomed Daniel Noad and Lucy Dyble of B&NES Community Resilience to talk about a Community Emergency Plan for Westfield. They outlined the reasons why such a Plan would make a difference in an emergency, how we can go about it and the support thev can offer.

### 102. Apologies for absence

Apologies were received from Cllrs Geoff Fuller, Ron Hopkins and Lesley Mansell.

### 103. Declarations of interest and dispensations

There were no declarations of interest.

### 104. Minutes

Resolved: that the Minutes of the Finance & Personnel meeting held on 18th January

2023 be agreed and signed as a correct record.

### 105. **Monthly Accounts**

Resolved:

- a) that the January bank reconciliation and monthly income and expenditure statements for the Current Account be agreed.
- c) that the January bank reconciliation and monthly income and expenditure statements for the Corporate Treasury account be agreed;
- d) that the January bank reconciliation and monthly income and expenditure statements for the Business Savings account be noted;
- e) that the summary of debit card transactions since the last meeting (Appendix 1) be agreed.
- f) that the petty cash spending (Appendix 2) be agreed.

### Schedule of payments requiring authorisation 106.

In accordance with item 5.2 of the Financial Regulations, the updated schedule of payments was considered at the meeting.

### Resolved:

(1) that the schedule of payments due be agreed (attached as Appendix 3), that the invoices and the BACS authorisation sheet be signed accordingly and that the BACS payments be made by two councillors via online banking.

107. Schedule of payments due on a regular basis

In accordance with item 5.6 of the Financial Regulations, an updated list of payments which arise on a regular basis as a result of a continuing contract, statutory duty or obligation was considered at the meeting.

**Resolved:** that the schedule of payments be agreed (attached as Appendix 4) and that the invoices and the BACS authorisation sheet be signed accordingly.

That the BACS payments be made by two councillors via online banking.

108. Visa Debit Card

The Committee noted the JPAG Accounts and Audit Guidance states, "where debit/credit cards are in use, establish the monthly and transaction limits and ensure appropriate controls over the physical security and usage of the cards is in place".

The Parish Council has a visa debit card, used to purchase items online, draw out petty cash and purchase items such as refreshments for meetings.

It is not possible to establish monthly and transactional limits on a debit card. The only limit in place is a £250 per day cash withdrawal limit. Credit cards have the facility to place monthly and transaction limits. A credit card is essentially a loan, which raises other risks.

Resolved:

To continue with the debit card, documenting here the risk due to lack of monthly and transaction limits and mitigating this with the fact that the card is kept physically locked in a box which is locked in a cabinet, with the PIN code locked in a separate cabinet. The card is used by three members of staff, all of which have been employed with full references. We have a fidelity insurance limit of  $\mathfrak{L}750,000$ . This risk to be further documented and reviewed annually within the financial risk assessment.

### 109. Flowers in Public Places contract

Resolved:

- (1) To accept the quote for the continuation of the Flowers in Public Places Contract for 2023/24 in the amount of £6,330 (budgeted £6089 back in October).
- (2) To ask Roma to quote for another two layers of stone on the smaller of the planters.

### 110. St Nicholas Church Grant

The 2022/23 grant feedback form was received with thanks.

Resolved:

- (1) To confirm the 2023/24 grant in the amount of £2,485, this being last year's grant of £2,257 plus inflation in the amount of 10.1% which was the CPI in September 2022 when the 2023/24 budget was drafted. Grant to be paid in April.
- (2) To ask if volunteer work might be co-ordinated on the boundary of Waterside Valley, the churchyard and the scout land.

### 111. Parish Council Insurance query on Footbridges at Waterside Valley

The Committee received a response to its query on the insurance of the footbridges at Waterside Valley. BHIB has responded asking for further information in order to review and ensure that it is covered as a separate property damage item. In relation to public liability, it was noted that RoSPA looked at the footbridges in its risk assessment and graded the risk as low.

**Resolved:** (1) That Cllrs Cooper and Millard visit the site and gather the information required.

(2) That a replacement plan be created, to assess the condition of each bridge and incrementally replace (or repair if possible) the four bridges.

### 112. Parish Council Retention of Documents Policy

**Resolved:** To adopt the NALC Schedule for the retention of documents.

The meeting closed at 11.15am.

takes place over a six-week period and will be coming to the Somer Valley in May this year. Whilst anyone can take part, the game will be targeted at children in local primary schools. Players are provided with a special card and earn points by tapping it against sensors called "Beat Boxes" that will be spread out and installed across the Somer Valley area. Players travel between boxes by walking, running, cycling or wheeling and earn points for themselves and their school as they go which are added to the local online leader board.
I will send you all a Team meeting invite – I hope you can make it .
If you have any questions ahead of the meeting please let me know.

### Improving People's Lives

To: All Parish and Town Councils Bath and North East Somerset Correspondence sent via email

Date: 15 February 2023

Dear Parish/Town Council Chair,

I wrote to you last month about decisions taken at the West of England Combined Authority Committee meeting on Wednesday 18th January regarding supported bus services.

Since then, we have continued to lobby the West of England Mayor to commit additional resources to invest in five new spinal routes, which will complement the introduction of DRT. These routes would ensure bus provision for Chew Valley, Keynsham, Midsomer Norton, Radstock and Timsbury.

I have this week written again to the Mayor to raise a number of concerns about the changes to public transport services in our region, which will take place in April 2023.

Firstly, I pressed the Mayor to urgently provide more details about his planned demand-responsive transport (DRT) minibus scheme, which launches in a few weeks' time.

Given the short timescales, we would like to be in a position to reassure our communities about the details of the plans and respond to queries we have received.

At our cabinet meeting last week, we received questions and public statements on the issue of buses, and we are limited in what we are able to say, although we stand ready to help share information and want to help make the scheme a success.

I particularly asked the Mayor to release more information regarding how the scheme will be delivered, when exactly it will be introduced, how the app will work, progress on securing vehicles and recruiting drivers, and other key information, including his plans to raise public awareness of the new service.

The DRT is a key piece of the transport jigsaw that the Mayor proposed for North East Somerset. To ease the transition, Bath & North East Somerset Council is planning to increase its funding for supported bus services budget by 36% and will

extend five bus services for two months in areas where DRT will operate from April. This will help with the transition to his proposed 'Westlink' services. The extra funding will also be used to continue existing supported bus services in areas of Bath which would be left without public transport services, as the Mayor has chosen not to offer either DRT or new BSIP routes in these areas.

Secondly, I pressed the Mayor to confirm funding for the vital, new bus services using the £50m Bus Service Improvement Plan fund he has at his disposal. These are 'lifeline' bus services that are needed, and which will complement, not compete with, the 'Westlink' demand-responsive minibuses. These routes were identified as needed by transport officers and tendered. The Mayor has not publicly announced which routes he will fund and I pressed him to do so urgently.

Thirdly, I again urged the Mayor to ensure effective engagement with communities on the final design of new BSIP bus routes and DRT and make all future meetings of the Transport Planning and Housing Board public, so people see the ongoing work being undertaken to achieve a successful transport network and hold us to account on the commitments we have jointly made.

Finally, I'd like to flag up that public transport and the DRT proposals will be on the agendas of forthcoming Area Forum and Parish Liaison Meetings. We are arranging for West of England Combined Authority officers to attend to ensure they can answer people's questions.

As I mentioned before, anything you can do as community leaders to share your residents' views and comments with us and with the West of England Mayor will be very helpful. We want to work closely together moving forward making sure any concerns and suggestions are captured and to achieve the best possible public transport coverage across the area.

Yours sincerely
