Present: Cllrs Diana Cooper (Chair), Kit Biggs, Geoff Fuller, Ron Hopkins, Paul Millard, Phil Wilkinson and Eleanor Jackson.

Also attending: Lesley Close, Parish Clerk, Caitlin Brown, Admin Assistant

Absent: Cllrs Pat Williams

29. Apologies for absence and to consider the reasons given

Apologies were received from Cllr Williams.

30. Declarations of interest and dispensation

Cllr Jackson declared she is on the Planning Policy Committee.

31. Minutes of the last meeting

Resolved: The minutes of the last meeting held on 10th June were agreed as a true record and signed by the Chair.

32. Neighbourhood Plan Review working group

Cllr Hopkins reported work is ongoing in relation to a rural exception site to develop property for people with a link to Westfield. Meetings with housing associations are planned.

It is expected that the Neighbourhood Plan Review first draft will be completed during August.

33. Planning applications for consideration

There were no objections to the following application:

24/02279/FUL	The Hewletts, Wells Road	Creation of wider access following demolition of existing wall and creation of new wall set back from road
--------------	--------------------------	--

34. Planning Decisions

The planning decisions were noted.

35. Planning Policy Updates

Minutes subject to approval at the next meeting.

Signed Dated

Westfield Parish Council

It was queried as to whether the Planning Policy Update is still relevant following the election results.

Mendip Local Plan – It was queried as to whether consideration for infrastructure such as medical provisions, roads and traffic has been made.

B&NES Local Plan, Parish Sites Assessment Toolkit Introduction and Training Workshop – taking place on Wednesday 24th July, 2.30pm – 5pm at Conygre Hall, Timsbury.

Resolved:

- (1) The Clerk will investigate the above queries.
- (2) The Clerk and Cllr Millard will attend the Training Workshop on 24th July.

36. Recreation Ground – Norton Hill

Removal of Ash Trees – The work has now been completed and trees affected by Ash Dieback have been felled. The verge now needs to be cleared and the fencing along the A367 replaced.

Resolved: The Clerk to get quotes for replacement chain link on the existing fencing poles.

37. Recreation Ground – Westhill

Changing Rooms – a Condition Survey is to be carried out following which advice will be sought from the Architect on how to proceed. Grant funding continues to be investigated.

38. Waterside Valley

Countryside Stewardship Scheme – It was agreed to become part of the scheme and to take Somer Valley Rediscovered up on their offer to fund the application. Applications must be submitted by February 2025.

Footbridge – Andy King will project manage the installation of the footbridge with work expected to start at the end of August. Once a start date has been confirmed the Clerk will write to notify homes adjacent to Waterside Valley, St Nicholas Church and Radstock Town Council.

Footpaths – the tender is live on Contracts Finder with a deadline of 2nd August. Somer Valley Rediscovered are funding the works.

Dog bin emptying – it has been reported that the dog waste bins are frequently becoming full.

Dear Parish Council,

We have been made aware following our email below on 12th June that some Parish Councils don't meet until after 5th September. As such, we have decided to extend the deadline for comments for both the Creating Sustainable Communities for North East Somerset, and the Active Travel Masterplan consultations from Parish Councils until **15th September**. The deadline for the public remains 23rd August. The consultation documents and consultation online questionnaire can be found on the links below.

<https://beta.bathnes.gov.uk/creating-sustainable-communities-journey-net-zero>

<https://beta.bathnes.gov.uk/active-travel-masterplan>

Hard copies of the documents can also be found B&NES' three libraries and the five community libraries within B&NES if you'd prefer to read them in person.

We understand it is sometimes easier for you to respond as a group on a word document, or printed out version. As such, please find attached word copies of the questionnaires. If you do fill this out, please send it back to strategic_transport@bathnes.gov.uk.

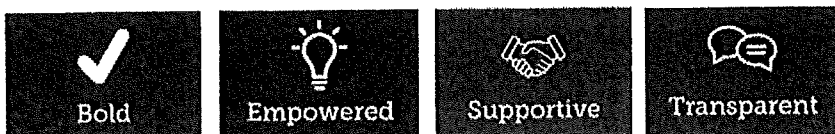

Best regards

Hi Lesley. Thank you for grant application forms which I will return shortly. On advice from police we have already had to install security cameras before school summer holidays. The police have also recommended that the shelter in the park also be removed as it is contributing to the problem. Please could you ask about this for us. Many thanks

Subject: Planning applications

Dear Lesley

I had a chat with Sarah James, Deputy Chief Planning Officer, who knows Westfield well as a dog walker, concerning the conversion of the skittle alley into changing rooms. I said that from the outside there would be no visible changes, but it was very important for the continued use of the playing fields.

I tried to explain the relationships of the Miners' Trust, the parish council and the club. She said that if the change involved no external changes, and was subservient to the use of the sports facilities, and as it was effectively changing one sport ie skittles for another ie football, she did not think a planning application was necessary.

It is after all not a listed building, and I am pretty sure it is not in the conservation area. I have copied in Parks and Green Spaces because this sort of development sits well within BANES policies.

Perhaps we will get young people training for serious sport in future.

Best wishes
Eleanor.

Hi Lesley,

Avon and Somerset Constabulary has joined up with HeartSafe and NHS England South-West to encourage local parish councils to purchase community bleed kits, which are then potential co-located with defibrillators or placed on the wall of key building such as youth centres or community halls. Would Westfield Parish Council be able to fund a kit for the Westfield area?. Once the kit is in the community it can be added to the HeartSafe website so it can be found quickly and easily by members of the public.

Thank you for your consideration.

Subject: Motorcycle Use - Footpaths near Nightingale Estates

Hi

I am a resident of Woodpecker Avenue, with a young family.

I have previously been in contact with PCSO Olga Hapova about this issue & was told that Westfield Parish Council were not willing to act?

There seems to be a lot of activity with motorcycles using the footpaths between Lyndhurst Road & Woodpecker Avenue. Even the footpath behind Woodpecker Avenue!

This is a danger with children using the paths, especially when travelling to & from the local schools of Norton Hill, St Benedict's & Westfield.

There is also a rumour that there is mild drug activity (on the new part of the estate) & they are using the path for quick access to the main road for transporting goods!

Something needs to be done. Next steps please...

Dear Danielle

When I came round canvassing last week I was struck by the need for railings, here and in one or two other places. I think it will be September before this can get on the parish council agenda, but as a BANES councillor, I will take this up

BANES are conducting a consultation on transport/walking/ etc, with a display in the Hollies 3-7pm on 18 July. Worth going because the officers will be there who can get resolving this kind of problem inserted into council policy

Thank you for reminding me of the problem.

Keep prodding me! I have rather a lot on at present.

Best wishes

Hi Eleanor

Long time no speak but in the mean time the motor bikes of all variations are still up and down multiple times a day

these signs have made no difference and police are not/can't do anyth unless they catch them in the act. Which is impossible with less than five seconds it takes them to come down the path at speed or not!.

I don't know what else to do 🙄...

Over the last two years I have sent in pictures and video footage to the police bike owners have been spoken to but it makes no difference at all.

Kind regards

That's as much as I've heard.

A highway inspector parked outside of my house and looked up the path in question some weeks ago, but never got out nor did he take any photos that I could see...

Westfield Pétanque Club

Westfield Pétanque Club are not a club in the true sense of the word, as we have no members, no rules and best of all no fees! Instead, we are a group of assorted people who meet every Tuesday evening, during the summer, for an enjoyable evening, and to play some boules. If you have never tried it, do come along, and give it a try, everyone is welcome, no booking required, just turn up, we would love to see you. We meet every Tuesday 6pm, at Norton Hill Recreation Ground, the boules court is just beyond the tennis court.

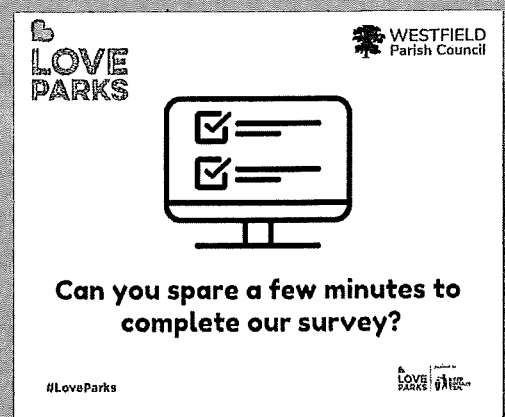

If you would like any more information, then please don't hesitate to contact me on 01761 415155.

LOCAL RECREATION AREA USAGE SURVEY

During love parks week we invited people to complete an anonymised survey regarding Westfield's parks and green spaces. It showed us that the areas are used for a variety of activities, such as walking, nature study, use of the playgrounds, attending clubs and more. One of the questions on the survey was 'what improvements would you like to see in these areas to enhance your experience?' An answer that came up several times was to make improvements to footpaths at Waterside Valley. This is something the Parish Council are currently working on. Overall, 88% of people who completed the survey would recommend Westfield's parks and green spaces to friends and family

SUMMARY

This is the second year that the Parish Council have participated in Keep Britain Tidy's Love Parks Week campaign. The events and social media presence have increased on last year and will hopefully continue to do so year on year.

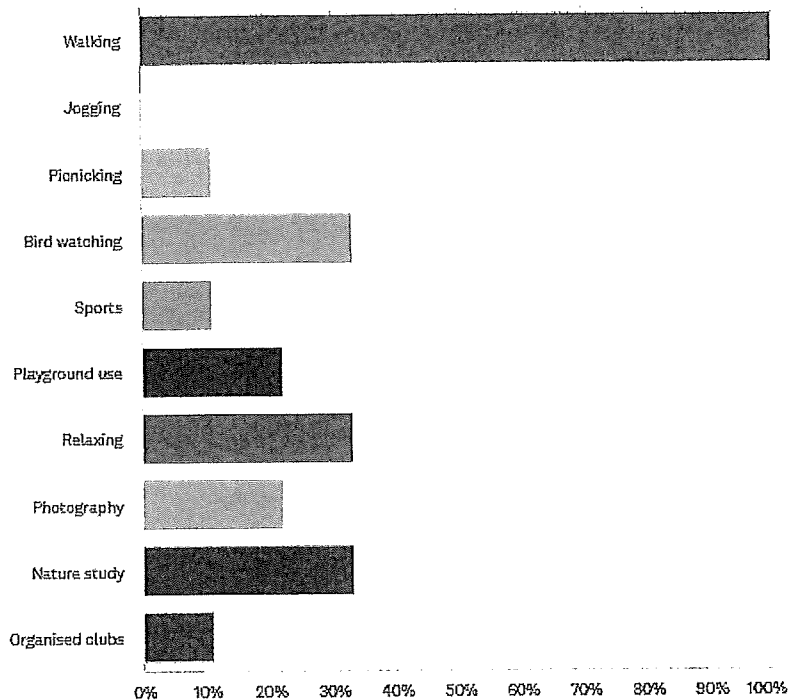

In-person events were well-attended and feedback was good. New connections with local organisations have been made.

A survey carried out showed that 88% of people would recommend Westfield's parks and green spaces to family and friends.

Overall I feel that the campaign was a success, highlighting the open spaces in Westfield and their many uses.

What activities do you usually engage in at the local green spaces? Select all that apply.
